About Summer Camp

Campers have been experiencing our Day Camp programs for over 42 summers, and we have planned another fun-packed summer for 2013!

Our camps provide a safe, enriching environment, while offering a variety of stimulating activities. Campers spend time at local forest preserves participating in camp games, crafts, nature activities, and hiking. They'll also enjoy local water parks, and field trip adventures!

Registration

Register EARLY as many sessions fill quickly. There is a **\$25** non refundable deposit per session, per child, due at the time of registration. We cannot hold a spot for a camper unless we receive the deposit.

Financial assistance is available to qualifying families.

At the Y, we have three areas of focus:

Youth Development, because young people need caring adults to provide support, guidance and encouragement as they grow.

Healthy Living, because wellness in spirit, mind and body strengthens our very being, and enhances our interactions with others.

Social Responsibility, because we are truly in this together. At the Y we look forward to joining with our community partners to enrich more lives and more families, and to further strengthen this community for decades to come.
