

Tri-Town YMCA Offers Geocache Treasure Hunting

The Tri-Town YMCA is lending out GPS devices giving the local community an opportunity to learn the exciting adventure of Geocaching. An adult over the age of 18, (with a credit card as a security deposit for the unit) can borrow a GPS device from the Y office during the hours of 9 am to 4 pm, Monday-Friday. The device must be returned by 4 pm to avoid a fee. The Tri-Town staff will provide a quick trial exercise near the office to show how to use the GPS device and how to find a local Geocache Box. Tri-Town will also provide the children participating in the instructional hunt with a "treasure" after their successful discovery of the treasure box. GPS devices will be available on a first come basis. We hope to see you soon to experience the wonderful challenge of treasure hunting with Geocaching!

The Tri-Town YMCA, located at the south end of
Manor Hill School at 1464 S. Main St., #7
Lombard, IL
